QUEST CHEMICAL CORPORATION
HOUSTON, TEXAS 77041

Specially formulated to rapidly clean ovens, grills, cooking pots and pans, non-aluminum barbecue grills. Extra thick foam quickly penetrates grease, baked-on carbon, stains and grime. Stays in place on vertical surfaces to give thorough cleaning. Restores surface to like new condition without harming finish. Simply spray on and wipe off. Use on warm or cold ovens. This formula has been authorized by the USDA for use in federally inspected meat and poultry plants.

DIRECTIONS FOR USE: Shake well. To remove childproof cap, squeeze sides on ridges and pull off. Hold can 10 to 12 inches away from surface to be cleaned. With a slow sweeping motion, apply liberally. Completely cover surface with product. For warm ovens, allow to set for 5 to 10 minutes. Turn off current in electric oven and pilot lights in gas oven after warming. For cold ovens, allow to set for 10 to 20 minutes. Wipe clean with a paper towel, clean cloth or sponge. Be sure to wear gloves when using this product. Rinse with a potable water rinse after using to completely remove remaining cleaner. Repeat treatment for hard to clean or heavily caked areas.

MODO DE EMPLEO: Agítese bien. Para remover la tapa a prueba de niños, apriete los lados y jale. Mantenga el bote entre 10 y 12 pulgadas alejado de la superficie que se va a limpiar. Aplique se generosamente con un movimiento de lado a lado. Cubra la superficie completamente con el producto. Para hornos aún calientes, deje que actúe de 5 a 10 minutos. Desconecte el horno y apague el piloto. Para hornos fríos, deje que actúe de 10 a 20 minutos. Quite el exceso con una toalla de papel y limpie con un trapo o esponja. Asegúrese de usar guantes cuando utilice este producto. Lave con agua potable para remover completamente el resto del limpiador. Repita el tratamiento para áreas que son difícil de limpiar o con grandes residuos.

FIRST AID

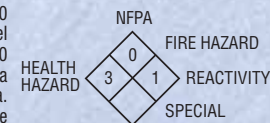

INTERNAL: Drink large quantities of water. Follow with citrus fruit juice. Call physician immediately. **EYES:** Flush with water for 15 minutes. Get medical attention. **SKIN:** Wash thoroughly with water, then vinegar.

DANGER: Contains potassium hydroxide. Contents under pressure. Avoid contact with skin, eyes, mucous membranes or clothing. Wear plastic or rubber gloves. May be fatal if swallowed.
