QUEST CHEMICAL CORPORATION
HOUSTON, TEXAS 77041

BIG ORANGE contains a natural orange oil solvent to quickly cut through tar, asphalt, gum, ink, crayon, tough soils, paint overspray and more. The biodegradable formula leaves a fresh orange fragrance.

DIRECTIONS FOR USE: Shake well prior to use. Hold can 8-10 inches from surface, and spray to thoroughly wet area to be cleaned. Allow to penetrate a few minutes before rinsing. For heavy soil, a wire brush may be used to loosen accumulation. Always test in an inconspicuous area prior to use on any carpet, fabric or upholstery. Always rinse thoroughly. May be harmful to plastics. May stain some surfaces.

MODO DE EMPLEO: Agite bien antes de usar. Sostenga el bote de 8 a 10 pulgadas de la superficie y rocíe hasta saturar el área a limpiar. Permita que penetre por unos minutos antes de enjuagar. Para residuos pesados, use un cepillo de alambre para aflojar la acumulación. Siempre pruebe en un área poco visible antes de aplicar en cualquier alfombra, tela o tapiz. Siempre enjuague muy bien. Puede dañar algunos plásticos. Puede manchar algunas superficies.

WARNING: FLAMMABLE. Keep out of reach of children. Keep away from heat, sparks, and open flame. Contents under pressure. Avoid contact with eyes and prolonged contact with skin. Do not puncture or incinerate container. Do not store in direct sunlight or at temperatures exceeding 120°F, as container may burst.

ADVERTENCIA: INFLAMABLE. No se deje al alcance de los niños. Manténgase alejado del calor, chispas o llama abierta. Contenido bajo presión.

Evite el contacto con los ojos y el contacto prolongado con la piel. No pinche o incinere el contenedor. No use bajo los rayos del sol o a temperaturas por encima a 120°F, ya que el contenedor puede explotar.

SUGGESTED FIRST AID: Skin Contact: Wash with soap and water. Get medical attention if irritation persists. Eye Contact: Flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists. Ingestion: Do not induce vomiting. Get medical attention.

INGREDIENTS (CAS#): 1,8-p-Menthadiene (5989-27-5), Propane/Isobutane (74-98-6), Nonionic Surfactant (127087-87-0), Nonylphenol Polyethoxylate (9016-45-9).
