NET WT. 15 OZ. (425 g)

**QUEST CHEMICAL CORPORATION
HOUSTON, TEXAS 77041**

This product quickly cleans tires without wiping or scrubbing. Once foam dissipates, a high gloss protective shine remains on the tire for days. Simply spray on and walk away. Quickly penetrates to lift grease, dirt, and grime from tire sidewalls. Thick clinging foam prevents runs and drips onto wheels. Each can will clean, shine, and protect up to 30 tires and will not harm wheels or wheel covers.

Ideally suited for use in a variety of areas including fleet shops, detail shops, car washes, bus barns, automotive dealers, automotive repair shops. For use on all car, truck, bus, and equipment tires.

DIRECTIONS FOR USE: This product should only be applied to tire sidewalls, not tire treads, brake pedals, or other areas where slippery conditions should be avoided.

Shake well. Spray evenly over surface in a slow sweeping motion, keeping can 6-8 inches from tire surface. Allow foam to completely dissipate, about 10 minutes. Excessive brake dust should be removed prior to treatment. No wiping is required.

MODO DE EMPLEO: Agítese bien. Rocíe en forma uniforme sobre la superficie. Limpie. Para superficies muy sucias, permita que la espuma actúe hasta un minuto antes de limpiar.

CAUTION: Contents under pressure. Do not use or store near heat or open flame. Exposure to tem-

peratures above 120°F may cause bursting. Never throw container into fire or incinerator. If sprayed in eyes, flush with water and consult physician. If on skin, wash thoroughly with soap and water. Avoid breathing spray mist or vapor. Keep out of reach of children.

PRECAUCIÓN: Contenido bajo presión. No use o almacene cerca del calor o llama abierta. Exposición a temperaturas por encima de los 120°F puede causar explosión. Nunca tire el contenedor al fuego o incinerador. Si es rociado en los ojos, lave con agua y consulte a un médico. Si está en la piel, lave con agua y con jabón. Evite respirar los vapores. No se deje al alcance de los niños.

CONTAINS (CAS#): Water (7732-18-5), Propane/n-Butane (68476-86-8), Glycerine (56-81-5), Dipropylene Glycol Monomethyl Ether (34590-94-8).
