## COOLING COIL CLEANER

### DESCRIPTION

GREENSCAPES COOLING COIL CLEANER is designed with biodegradable ingredients to safely and responsibly remove dirt and matted material from condenser coils and fins, eliminating the need for high pressure sprayers and bulky tank sprayers. Upon contact with the surface of the coil, the foaming action of the product begins to cut through soils. Rinsing is not required. Dirt, lint and other soils are washed away by the condensation created by the running unit, leaving it clean and deodorized.

### APPLICATIONS

Ideal for air conditioners, central cooling systems, auto air conditioners, refrigeration and freezers. For use in hotels/motels, homes, office buildings, air conditioner services and auto and RV repair services.
